**PRODUCTS**  
Engineered Combustion Components

<b>Honeywell</b> Advanced Combustion Control Components	<b>Honeywell</b> JUXLINE Industrial Gas Burners, Heat Exchangers, Valves and Controls	<b>Honeywell</b> JUXLINE Industrial Gas Burners, On-Pipe Burners, Valves and Controls
<b>Honeywell</b> SILENT Burners, Gas Safety, Safety Valves, Controls and Instrumentation	<b>HAUCK</b> Industrial Burners and Accessories, Aggregate Drying and Controls	<b>EXOTHERMICS</b> Heat Exchangers & Regenerators
<b>SIEMENS</b> Burner Management Systems, Gas Controls, Actuators and Valves	<b>DUNGS</b> Modular Gas Fuel Train Components, Switches, Regulators and Valves	<b>ASCO</b> Modular Motor Actuated Solenoid Gas Shut-Off Valves
<b>SENSUS</b> Industrial and Commercial Gas Pressure Regulators and Valves	<b>Pietro Fiorentini</b> Gas Pressure Regulators, Governors and Shutoff Valves	<b>Gas Regulators, Gas Piping, Relief Valves and Meters</b>
<b>FOX</b> Thermal Gas Mass Flow Meters	<b>BRIDGES</b> Industrial Gas Meters and Instrumentation	<b>MAKTRON</b> Gas Pressure Regulation
<b>Alpine III</b> Propane Air Blended By Systems	<b>HEATEC</b> Thermal Fluid Heaters and Heat Recovery Boilers	<b>Palomares</b> Electric Boilers and Heat Water Boilers
<b>Autunes</b> Air and Gas Pressure Switching, Temperature Controllers and Displays	<b>PURIFICATION</b> Thermocouples and Transmitters	<b>FUTUREDESIGN</b> Process and Temperature Controllers, Recorders
<b>Flame Safety Controls</b>	<b>Flame Safety and Controls</b>	<b>United</b> Heat Treating, Flow Control and Combustion Optimization

**Services**

- Application Engineering
- Field Service
- Automation
- Engineering Design
- Valve Train Assembly
- Custom Control Panels
- UL508A Panel Shop
- Thermal Process Audits
- Complete System Solutions
- Training
- Warehousing

### Products

We carry a large inventory to help keep your processes running.

**TWO STOCKING LOCATIONS**  
Milwaukee, WI and Eagan, MN
